EMERGENCY SHELTER

TRANSITIONAL SHELTER ASSISTANCE

The Transitional Shelter Assistance (TSA) Program provides short-term lodging assistance for evacuees who are not able to return home for an extended or indeterminate period of time following a disaster.

The Federal Emergency Management Agency (FEMA) may provide TSA to eligible disaster survivors who have a continuing need for shelter after the congregate shelters have closed because they are unable to return to their homes for an extended period of time. This initiative is intended to provide short-term lodging for eligible disaster survivors whose communities are either uninhabitable or inaccessible due to disaster-related damages.

Under TSA, disaster survivors may be eligible to stay in hotel or motel lodging for a limited period of time and have the cost of the room and taxes covered by FEMA. However, FEMA does not cover the cost of incidental room charges or amenities, such as telephone, room service, food, etc.

For more information on the TSA program you can go to the FEMA website at: <https://www.fema.gov/transitional-shelter-assistance>

Individuals and households who are ineligible for TSA will be referred to local agencies or voluntary organizations for possible assistance.

INDIVIDUAL AND HOUSEHOLDS PROGRAMS

The Individuals and Households Program (IHP) is a joint Federal and State program. You or someone who lives with you must be a U.S. citizen or “qualified immigrant” to apply.

.....

Under IHP, the Federal Emergency Management Agency (FEMA) may provide awards in the form of rent, home repair or replacement, transportation repair or replacement, funeral expenses, personal property, medical, dental or other miscellaneous expenses. FEMA disaster assistance covers basic needs, but does not normally compensate disaster victims for their entire loss. Each situation is unique and is handled on a case-by-case basis. Anyone who suffers damage in a Presidentially-declared disaster can register for assistance by calling the FEMA registration line, 1-800-621-3362. For TTY, the number is 1-800-462-7585.

For general information or to make changes to an existing application, the FEMA disaster information Helpline number is 1-800-621-3362 or TTY 1-800-462-7585.

STATE SUPPLEMENTAL GRANT PROGRAM

California's State Supplemental Grant Program (SSGP), administered by California's Department of Social Services, Disaster Services Bureau, may provide grant funds to assist people who have suffered damage in a disaster area declared by the President when the federal assistance to IHP is implemented. The SSGP is 100 percent State funded. The grant may assist with any eligible items not already addressed by the IHP. However, individuals must have applied to FEMA and maximized the IHP award to be eligible for SSGP. State grants cover disaster-relief needs in the same categories as the IHP.

If you have reached the maximum IHP assistance, FEMA will automatically transmit your application to SSGP. There is no separate application process for SSGP. If you have questions about the State Supplemental Grant Program, you may contact SSGP at 1-800-759-6807, or for the deaf or hard of hearing, the TTY number is 1-800-952-8349.

The greatest hazard comes from breathing fine particles, which can reduce lung function, worsen asthma and other existing heart and lung conditions, and cause coughing, wheezing, and difficulty breathing. To protect workers exposed to wildfire smoke, employers must take measures as part of their Injury and Illness Prevention Program. For more information, you can go to the webpage at:
